NOTES: **Chiffon Cakes** - light, delicate, melts in your mouth and only paired with Whip Cream. **Classic Cakes** - traditional cake with more of a "bite". Great with either Butter Cream or Whip Cream. **Whip Cream** - made with real dairy cream. Not to exceed two hours out of refrigeration. **Butter Cream** - no refrigeration for same day consumption. Butter cream icing produces the best imprint quality. Computer decoration on whip cream icing looks good but fades slightly. See comparison photo in our store.
